- The OMNeT++ community,  
i.e. ***YOU***

# Some statistics

- 34 submitted papers
- 12 accepted full papers
- 8 poster presentations
- 41 participants  
(in total 20 presenters)

# Impact and visibility

- All papers are included in SIMUtools conference proceedings marked as OMNeT++ workshop contributions
- All papers will appear in ACM DL (please be patient!!)
- PLEASE send us your slides – we will put them on the OMNeT++ workshop web site for further visibility

# Workshop history

- 1<sup>st</sup> Workshop – what does it mean?
- Two or three open developers OMNeT++ workshop took place in the last years
- This is the first peer-reviewed workshop associated with a main conference

# 2<sup>nd</sup> (ACM/ICST) International OMNeT++ Workshop 2009

- Co-located with SIMUTools 2009?
- Any volunteers?
